

OUTDOOR CLASSROOM

KEYSTONE ELEMENTARY

About:

Keystone Elementary is home to 650+ students. They have used the Healthy Places Grant to help build a fully inclusive outdoor classroom for students and the rest of the community to engage in hands-on learning and enjoy time outside. The funds allowed the Keystone PTA to:

- Install a pergola
- Incorporate a walk-in chicken run
- Build a large chicken coop for 15 birds

As permanent structure, the outdoor classroom will continue to impact generations of Keystone Elementary School students and other organizations like the Girl & Boy Scout Troops.
