

Community Garden Oberlin Legion Field 2016

Address:

425 S Professor St.
Oberlin, OH 44074

About:

Legion Field Community Garden (owned and operated by Zion Community Development Corporation) provides a garden space for people to grow their own fruits and vegetables.

The garden also donates a portion of their produce directly to the Oberlin Community Services food pantry.

For Peter of Oberlin, gardening has been...
“A way to be outside and connected with nature as it provides you a source of food.”

With Healthy Places funding, Zion Community Development Corporation built a fence, pergola, and added a water station for washing the fruits and vegetables to the garden.

Grantee: Zion Community Development Corporation
