

# COMMUNITY GARDEN

## ELYRIA PUBLIC LIBRARY WEST RIVER

### About:

Elyria Public Library has been a space for its community since its founding in 1864. To equip their patrons with gardening knowledge, encourage healthy eating opportunities, and cultivate a space to relax, socialize, and learn, they have used the Healthy Places Grant to:

- Build garden beds that are available to the public
- Provide programs to help patrons learn how to sustain a home harvest

The Library Garden Club will continue these efforts by regularly maintaining the garden.
