

COMMUNITY BASKETBALL COURT SOUTH AMHERST

About:

The South Amherst Community Park has 18+ acres of non-discriminatory and safe green space designed for everyone. It includes parking, a picnic pavilion, a playground, a hydration station, and a paved walking path. The park offers accessible recreational opportunities year-round, weather permitting. To provide a free recreational activity and encourage the community to spend time outside, the Village of South Amherst used the Healthy Places Grant to:

- Install a full-size ADA-accessible basketball court

The court will stand for decades as a space to make memories, engage with the community, and enrich physical and mental health. Additionally, the local basketball program will help with upkeep as a way to practice continued investments in this shared space.

2022 Grantee: Village of South Amherst
